

3 DAY  
VIRTUAL EVENT!

# There's no place like HOME

October 28-30th

Dear Friend,

It's been quite a year! Even in the midst of a national pandemic and unprecedented time our kids are still in great need. Our state hotline calls have remained 50% lower than average and our services have hit an all-time high. Our team continues to be creative in connecting to our most vulnerable. This year, we are moving our in-person Gala to a virtual event to ensure the safety of you! Our theme of "No Place Like Home" rings true for us all.

**Join us for our Virtual Gala October 28th - 30th 2020.** Although 2020 has altered many plans, our virtual event will provide entertainment, excitement, stories from the heart, shopping in our virtual silent and live auction and double the advertising.

***We're excited to announce our entertainment...  
Renowned performance painter DAVID GARIBALDI!***

*Artists transform an empty canvas into a work of art through their skill, experience, inspiration and senses. David Garibaldi's life and transition into a world-renowned performance painter is no different. Paint, sound, and entertainment collide for an entertaining show that has brought people around the world to their feet. **We can't wait for him to paint and perform for CMFCAA! Plus, the artwork will be auctioned at the event!***

Our sponsors throughout Central Missouri will be the key to funding this year's adoption, foster care and kinship support. **To reserve your sponsorship, return the attached form or you can make your sponsorship through our easy online option at [www.mofosteradopt.com/gala](http://www.mofosteradopt.com/gala).** Caring for kids from hard places takes special people.

With your help CMFCAA can make life changing progress towards breaking the cycle for many kids who have experienced horrendous abuse and neglect. We can only do this because of YOU! **Our adopted, foster and kinship children and youth thank you for another year of your generous support.** Reserve your sponsorship today, details are below.

For the sake of the children,

DeAnna Alonso
