Dear Friend,

I'm writing to invite you to partner with Central Missouri Foster Care & Adoption Association as a sponsor for CMFCAA's Afternoon Tea, happening Saturday, Sept. 12, 2026, from 1-4 p.m. at Memory Lane Event Center in Eldon.

This special afternoon will bring together community members, families and supporters for a meaningful event rooted in connection, tradition and belonging. More importantly, it will help support CMFCAA's work with foster, adoptive and kinship families throughout mid Missouri.

Although CMFCAA is headquartered in Jefferson City, we are proud to serve families throughout mid Missouri, including right here in the Lake area through our Osage Beach office. The children, caregivers and kinship families we support are part of these local communities, and CMFCAA's Afternoon Tea gives Lake-area businesses and community members a meaningful way to support them close to home.

Every day, children and families in our community face uncertainty. CMFCAA walks alongside them with practical resources, advocacy, training, family support, clothing and supplies, and programs that help create stability during some of life's hardest moments. Because of community partners like you, families are reminded that they are not alone and that support is available when they need it most.

We have several sponsorship opportunities available and can be viewed on the next page. Your support will do more than help host a beautiful afternoon. It will help children and families feel seen, supported and connected to a community that cares.

I would be happy to talk with you more about sponsorship opportunities or answer any questions. You can also visit mofosteradopt.com/teaparty to learn more.

Thank you for considering this opportunity to stand with children and families in mid Missouri.

Warmly,

Crystal Hunsperger
